

## My Favourite Fruit

If you hadn't already guessed, Farah's favourite fruit is mangos, but what's yours and how much do you know about it? Can you fill in the boxes below and answer the questions?

- ① What is your favourite fruit?  
Write its name and draw a picture!

.....

- ② What countries does it grow in? Ask an adult or look it up if you're not sure.

.....

- ③ Mangos grow on trees, how does your favourite fruit grow?  
Write your answer and draw a picture!

.....

- ④ There are all sorts of different mango varieties including Alphonso and Rampur.  
Can you name any varieties of your favourite fruit?

.....

- ⑤ What's your favourite way to eat your fruit?  
Maybe on its own? In a pie? Or something else?  
Write your answer and draw a picture!

# Spot the Difference

Can you find the five differences between these two images?

Answers: Extra bird, different colour parachute, extra balloon, missing monkey's tail, extra bird house.

## Tree-mendous Trees

As we learn in *Farah Loves Mangos*, trees do more than just grow fruit. Can you list some of the amazing things that trees do? You can use examples from the book or come up with your own!
