A MOUSE CALLED JULIAN

Draw your own Julian!

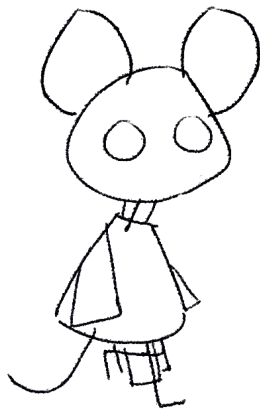

1. Draw the basic shape of the head

2. Add a cone-shaped body, a neck and a tail

3. Give Julian some ears and some stick-legs

4. Draw circles for eyes and basic shapes for his sleeves and shorts

5. Now add in his whiskers, bag and other details

6. Pencil in finer details, carefully rubbing out the basic shapes

7. Now you should have a pencil drawing of Julian!

8. Put a base layer of block colour down

9. Do some shading and add more colour - and you're done!
